

B2G PROFESSIONAL NETWORKING™

collaboration, facilitation & promotion

February 22 • 5:30-7:30pm
TechnoCycle (6600 Longpoint, #103)

Join Us!

Green businesses, hybrid green companies, executives, entrepreneurs and professionals looking to connect to the sustainability business community—this is the place to be. Featuring real-time collaboration and an on-site tour of TechnoCycle's e-waste recycling facility.

Plus, this month's mini-speakers series features TechnoCycle's CEO Mike Buckles focusing on "Recycling in the business place - advantages and avenues for businesses to instill recycle practices/services."

Enjoy Complimentary Drinks and Appetz and the smooth sounds of Pete Simple. Suggested donation \$10 entry fee with a portion benefiting the Gulf Coast Recycling Council of S.T.A.R.

**** EXTRA **** All old electronics, cell phones, computers, etc. will be accepted during the event, so clean out those closets and be part of the solution today.

Infuse your body AND your mind with some good juice!
